

Orion

Song by CAM HUXFORD IV and DUSTIN KENSURUE
Arrangement by GHOST SHIP

Intro:

Dm Am/C Gm/Bb Gm6

Verse 1:

Dm I asked God, what have you done **Am/C**

Everything I love is gone **Gm/Bb**

Why must I endure this pain **Gm6**

Won't you come and save me

Tell me are you listening
Do you hear my shouted pleas
Will you answer me this day
Won't you come and save me

Pre-Chorus:

Bb I was answered by my Lord **F**

Can you bind Orion's form **Dm**

Or guide his path **Bb**

Bb I looked up and answered no **F**

But you can so I will hope **Dm**

In your strong hands **Bb**

Chorus:

F The hands that hold the stars above **Dm**

Bb Will never let me go **F**

The One who holds the heavens up
In him I put my hope

Yet who am I that you should love
And bind in your embrace

What God is this who holds the stars
And guides me in his grace
