My One Comfort

Words and Music by Dustin Kensrue

Verse

```
          G
My one comfort both in life and death
        C              G
Is that I am not my own
       G
I was bought with blood and I confess
    C              G
I belong to you alone
```

Chorus

```
         Em       C        G
By the Father's good decree
         Em       C       G
Jesus you've delivered me
          Em   C       G
By your spirit set me free
    D      G
To follow you
```

Bridge

```
C                                  G
Jesus you have taken hold of me
     C                                 G
And in your grip of grace I'm finally free
```
